

2019 MUSIC PARTNERS 2020

The Shepherd Hill Music Parents Association would like to take
this opportunity to ask for your support.

The Dudley-Charlton communities are very fortunate to have
one of the finest music programs in the state.

In addition to donating our time and talent to these dedicated students,
the Music Parents provide financial support with proceeds from our sponsors
and other fund raising activities.

Become a Music Partner by sponsoring our students through one of our packages.

**We are changing our ad book program by offering a banner of signs at
every music event and an insert for every event program at
all major music department events at the high school for the 2019-2020 school year.**

This will give you increased advertising at ALL music events.

This includes the Festival of Crafts (4,000 attendees) and the Holiday Spectacular (3 shows.)

**Please take a few moments to examine the enclosed materials and help support the
continued success of the Shepherd Hill Regional High School Music Program.**

Your contribution will help students and promote your business!

**Help support the continued success of the
Shepherd Hill Regional High School
Music Programs**
