Many hands make light(er) work! Support our music program!

Get to know other parents and the music staff!

SHMPA is proud to support our award winning music programs by reducing out of pocket expenses associated with participation in these programs. In order to continue the level of support that we have provided in the past, we need the help of every parent/guardian.

Please volunteer for as many events as you can, a minimum of 2 events please.

All shifts are 2-3 hours, except Gillette. We need every family to help at ONE Gillette event.

The success of our program depends on you.
